

Cairo, 11<sup>th</sup> March, 2015

Dear stakeholders,

At the Bavarian Auto Group, we recognize the significance of the annual submission of the Communication on Progress (COP) to our commitment to and participation in the United Nations Global Compact (UNGC). We also understand the importance of the UNGC principles and the COP becoming a natural part of the company and its activities.

In order to streamline operations and further integrate the COP within our company and its reporting activities, we hereby request our COP deadline to be adjusted to 31<sup>st</sup> December, 2015. Our intention is to align the COP report submission deadline with our company reporting cycle.

Sincerely,

Farid El Tobgui  
Chairman
