

26 March 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the alignment of our reporting to our financial year which ends on 30th June 2015. As such, in order to cover the full breadth of activities in the financial year 2014-15, we request an extension such that we are able to demonstrate our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by July 21st 2015 at the latest.

Sincerely yours,

Shireen Dajani
Associate Director
