Grace Letter

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by beginning of April.

Due to the fact, that our CoP is part of our normal business report, I can upload this document not earlier than end of march. This report is still ready, but has to be translated into English. So, I am sure, that I do not need the maximum extension of 90 days – just 10 days.

Sincerely yours,

KSB Aktiengesellschaft
