Dear Sir/Madam;

As Ak-Kim, we would like to change the submission date for Ak-Kim's COP from May 10 to November 10. The reason for this is that we would like to publish our COP report with more comprehensive and detailed data and targets. Considering the data collection processes in our company and the evaluation period of our data, we can make all relevant information publicly available by November every year.

Rather than a grace period request, we kindly ask you to accept this letter as a request for a permanent change of report timing.

I would be grateful if you could give this matter your consideration.

Yours faithfully
