Re: Communication on Progress: Sirota Consulting LLC 2015

To Whom It May Concern,

Please accept this letter as our request for an extension of our COP due date in order to allow us time to gather pertinent updates from colleagues who have been traveling, or out of the country for the past several months and are unable to give us input. We would very much like to include their contributions in our 2015 COP update.

We appreciate your time and consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "John Mallozzi". The signature is fluid and cursive, with the first name "John" being more prominent than the last name "Mallozzi".
