

*Bologna, 2015 April 15th*

*To our stakeholders:*

*We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.*

*We are late in creating, sharing and posting our COP report due to the assessment of Law for Creativity report, part of our Cherry Blossom Law Initiative (on which, please see, among others, our 2014 COP).*

*We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.*

*Our new COP report will be posted on the UN Global Compact website by August 7th at the latest.*

*Sincerely yours,*
