Communication on Progress – 2015

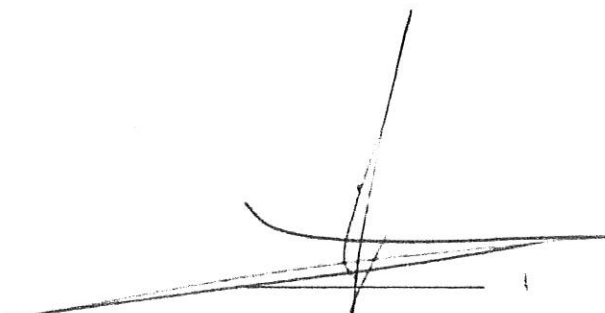

It is with great pleasure that we inform you the support of Flexim International SA to the ten principles of the Global Compact which centre on human rights, labour, environment and anti-corruption. We always strive to make the Global Compact and its principles part of the strategy, culture, and daily operations of our Company and to engage in collaborative efforts that advance the broader goals of the United Nations. Flexim International SA will continue its support of public accountability and transparency, and therefore, commits to report on this information to our stakeholders.

In this annual Communication on Progress, we describe our gradual integration of the Global Compact and its principles into the everyday ethos of company.

Sincerely,

Michael Yam
VP of Global Ops

Stephen Cointre
CEO
