Dear Mr Secretary-General,

I am pleased to confirm that DCNS supports the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. Following its communication dated April 28, 2014 DCNS implements those principles.

With this communication, DCNS confirms its intent to continue to make the Global Compact and its principles part of its strategy, culture and day-to-day operations, and to engage in collaborative projects which advance the broader goals of the United Nations.

Our annual report for 2014 includes a clear statement of this commitment to our stakeholders and the public.

DCNS recognizes that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. And we have accordingly published our first Communication on Progress (COP) in February 2015. DCNS will continue to report on progress each year according to the Global Compact policy.

Sincerely yours,

Hervé Guillou
