

June 03 2015

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

As you know over the past month we change our name and also with this a lot changes in our organization, so we add new programs and politics, and we want to share it with you, so we are late in creating our new COP report, so we can share and post all the improvements we have been doing.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 16 2015 at the latest.

Sincerely yours,

Ms. Karina Garza
