

LANCO INFRATECH LIMITED | Sustainability Report 2014 – 2015
UN Global Compact Communication on Progress

UN Global Compact Principle

Human Rights

Principles	Lanco's Position	Action Taken
<p>Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights.</p> <p>Principle 2: Businesses should make sure that they are not complicit in human rights abuses.</p>	<ul style="list-style-type: none"> At Lanco we recognise the impact that can have on the realisation of fundamental human rights. Through our business operations and our citizenship efforts we seek to help more people and organization realise their full human potential. Lanco has the following policies in place in support of the Human Rights. <ol style="list-style-type: none"> Policy on HIV / AIDS – The purpose of AIDS policy is to reassure employees that AIDS is not spread through casual contact during normal work practices and to reduce unrealistic fears about contracting an AIDS virus related condition. This policy also protects the legal right to work of employees who are diagnosed with an AIDS virus – related condition and provides guidelines for situation where infection with the AIDS virus is suspected. Our policy is to encourage sensitivity to and understanding for employees affected with a condition on the AIDS virus. Recruitment policy and procedures Equal opportunity employer policy 	<ul style="list-style-type: none"> All the employees have access to the policies through employee Standard Operating Policies (SOPs) & Internal Portal Lanco also developed Value statements to be adhered by every employee. We are committed to maintaining a healthy work environment by protecting the physical and emotional health and well-being of all employees in the work place. This AIDS policy is a direct outgrowth of those commitments. It provides guidelines for situations when a question as to an aids virus-related condition arises. There are two major points: <ol style="list-style-type: none"> Employees who are diagnosed with an AIDS virus-related condition may continue to work if they are deemed medically able to

		<p>work and can meet acceptable performance standards. We will provide reasonable performance standards and accommodate them reasonably if necessary to enable these employees to continue working.</p> <p>2. We provide AIDS education through lectures, training sessions etc. for all employees to help them understand how the AIDS virus is spread and to reduce unrealistic fears of contracting as AIDS virus – related condition.</p>
