## CSC France Grace Period Letter

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due on June 13, 2015, as we have for the first time responded to the RobecoSam survey to participate in the Dow Jones Sustainable Index, which has required much focus and time.

We hereby ask for an extension period in order to be able to post a COP that describes CSC France's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by September 13, 2015 at the latest.

Sincerely yours,

**PAULA SULLIVAN**  
**Senior Principal - Corporate Responsibility**
