Dear Mr. Secretary-General,

**RE: TREASURY WINE ESTATES UNGC COMMUNICATION ON PROGRESS GRACE PERIOD REQUESTED**

I am writing to you at this time in order to request a grace period for the submission of the Treasury Wine Estates (TWE) Limited Communication on Progress, currently due on 1 July 2015.

TWE recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

TWE has had a number of changes to its structure and teams in recent months, including to its Global Corporate Responsibility team. Consequently, TWE would like to request an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 1 September 2015.

I look forward to your consideration of this matter,

Thank you kindly,

Cecelia Burgman  
Global Corporate Responsibility Manager and UNGC Contact Point
