

WAGGENER EDSTROM
COMMUNICATIONS

June 15, 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that consists of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. Waggener Edstrom has proudly adhered to this requirement since 2011.

We are requesting a permanent change to our COP reporting date from July 16 to October 16 to align the COP with the company's internal reporting cycle and the public release date for the company's annual corporate citizenship results.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 16 at the latest.

Sincerely yours,

Rhian E. Rotz
