To our Stakeholders:

The International Institute for Learning (IIL) recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that is comprised by a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

During April of 2015 IIL sent two staff members to formal Global Reporting Initiative (GRI) G4 training. As a result we anticipate completing IIL's first Global Reporting Initiative (GRI) G4 Report by March 30, 2016 which will incorporate IIL's UN Global Compact Communication on Progress (COP).

We want to align IIL's COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted to March 30, 2016.

Sincerely yours,

E. LaVerne Johnson
