### Adjustment request

To our stakeholders:

Ingleby ApS recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We want to align our COP deadline with our financial reporting cycle (1 July to 30 June). We hereby kindly request our COP deadline to be adjusted to 31 December.

We appreciate the consideration given to our request, and will continue our work to support and implement the 10 principles of Global Compact within our business operations.

Yours sincerely
