To our stakeholders,

Ekol logistics has signed Global Compact in 12th November 2007. We, as EKOL logistics, have awareness the key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

Our inorganic growing is still in process and also our operational areas are enlarged. In order to reflect these changes to our COP report we hereby ask for an extension period to be able to post a COP. Our COP report will be posted on the UN Global Compact website by 25 September 2015 the latest.

Yours Sincerely,

Enise Ademoğlu

Ekol Logistic Co.
