

GRACE LETTER

July 3, 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we were so busy executing projects that are aiming to address immediate water and sanitation needs to Syrian refugees and vulnerable Lebanese host population in Lebanon. These projects are funded by UNICEF and other international NGOs and are considered very urgent.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 20, 2015 at the latest.

Sincerely yours,

Mr. Ahmad Saleh

General Manager
