Executive Director
UN Global Compact

Subject: Extension of Deadline for Annual COP 2015

Dear Sir,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

However, we will be late in posting our COP report because this year we would like to post our COP as a part of our sustainability report and due to unavoidable situation the date of publishing sustainability report has been postponed to end of third quarter of this year.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 5th November, 2015. I hope you will extend our deadline to submit Annual COP 2015 and let us be an ACTIVE member till that period.

Sincerely Yours,

Ms. Bipasha Nourin
