CONCERNING : COP reporting
Request for grace period
Drukkerij ARTOOS NV, Oudestraat 19
1910 KAMPENHOUT, Belgium

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have started our COP but could not complete it on time due to the fact that collecting the necessary data from all involved persons has significantly demanded more time than initially anticipated.

We apologize for this fact and ask hereby for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 31, 2015 at the latest.

Sincerely yours,
