management. Since the first REIT is the first real estate investment trust listed in Hong Kong, and currently Asia's largest REIT and one of the world's largest retail focused REITs in terms of market capitalisation. The portfolio consists of properties with an internal floor area ("IFA") of approximately 11 million square feet of retail space and approximately 76,000 car park spaces. In 2014, The Link REIT became a constituent stock of the Hang Seng Index.
