

August 4, 2015

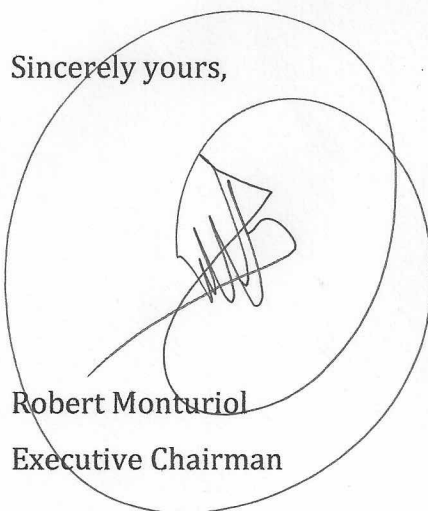

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

To do the aforementioned in the most excellent way, as the firm's culture demands, we will align our COP deadline with our internal reporting cycle; which is the fiscal year. This will allow us to finish the consolidation of the company's holding and to measure and report our Meaning generation for the 2015 fiscal year.

We hereby request our COP deadline to be adjusted to June 30, 2016.

Sincerely yours,

Robert Monturiol  
Executive Chairman
