

Hilding Anders Grace Letter for COP 2014

Dear UN Global Compact,

We need to extend our reporting period with the stipulated 90 days grace period. Since August 1st I am acting as new CEO to the Hilding Anders Group and I need to get acquainted with the COP first before we can release it.

Our commitment to the UN Global Compact remains unchanged, we would kindly ask you to extend the submission day as mentioned above.

Thanks in advance for your understanding,

Christer Åberg
CEO & President
