To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COP report due to restructured procedures in company.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on 16.11.2015 the UN Global Compact website by 16.11.2015 at the latest

Sincerely Yours

Gkariis Dimitrios  
General Manager
