To Our Stakeholders:

We recognize that a key & important requirement for participation in UN Global Compact Program is the annual preparation and uploading of the Communication on Progress (CoP) that comprises of our CEO statement of continued support for the UN Global Compact, a description on our practical actions with regard to the ten principles of UN Global Compact & measurement of the outcomes.

We are delayed in creating and uploading the CoP due to customer visits & audits.

We hereby request for an extension for uploading our CoP which describes our company's efforts and progress in continued implementation of the 10 principles of UN Global compact Program. Our new CoP will be posted on the website of UN Global Compact latest by December 12, 2015

Sincerely yours,
