

Date: 17<sup>th</sup> of Sept, 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report as we have started today our GRI review process aiming for issuing our first sustainability report at level A disclosure grade. In order to avoid duplication in our communication tools we planned to use this publication as our COP for the GC.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15<sup>th</sup> of December 2015 at the latest.

Sincerely yours,
