**ADJUSTMENT REQUEST**

**Atecsol Welding applications**

**To our stakeholders:**

We recognize that a key requirement for the participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of CEO statement of continued Support for the UN Global Compact, a description of practical actions with the regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We want to align our COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted January 4, 2016.

**Sincerely yours,**

**Mr. Enrique Abad Uribarren.**
