

Grace Period Letter

Orléans-France, October 7, 2015

To all interested,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication of Engagement (COE) that comprises of a President's statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

As we are waiting for the final numbers of 2015 to be evaluated, we decided to ask a grace period.

We hereby ask for an extension period in order to be able to post a COE that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by (enter date here, max. 90 days from COE deadline) at the latest.

Sincerely yours,
