Subject: Communication on Progress (COP) Submission 2012

Dear Sir,

Following our adhesion to the United Nations Global Compact in 2007, we hereby enclose a copy of our Communication on Progress (COP) for 2012.

We will continue to make efforts in order to our member companies, our most relevant stakeholders, are involved in the implementation of the principles in their daily activities.

Also on behalf of APIFARMA and as a partner in the UN Global Compact, once more we offer our continued support to the advances being made by participating companies and non-business stakeholders.

Yours sincerely,

Associação Portuguesa da  
Indústria Farmacêutica  
Executive Director
