Grace letter asking for the extension of the deadline for submitting our COP

Dear ladies and gentlemen,

We would hereby like to request an extension of the deadline for our annual Communications on Progress (COP). We can point to improvements in the implementation of the UN Global Compact's 10 principles. However, the last months have been very busy and, in addition, we would like to evaluate some CSR measures more in-depth before featuring them in our communication on progress.

I would like to apologise for the delay, but can assure you that we will submit the COP by the deadline. Thank you very much for your patience and understanding.

Yours sincerely,

Harald Zulauf
(CEO of media consulta International Holding)
