

Belgrade, 8th October 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to upcoming activities in the next period of time and those activities will have impact and will have resulted on the UN Global Compact Principles. According to this we want to present more achievements and results in our COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 29th January 2016 at the latest.

Sincerely yours,

Ms. Violeta Jovanovic
NALED Executive Director
