**Esteemed Transparency and Disclosure Team
United Nations Global Compact
Two United Nations Plaza
New York, NY 10017**

Subject: Grace Letter - UN Global Compact COP Report 2015

It has been a privilege and honor to be part of United Nations Global Compact over the past two years supporting its ten principals with respect to human rights, labor, environment and anti- corruption.

We are in the process of finalizing our COP report, which is in the final stages of internal review and approval.

We kindly request an extension period of 30 working days on the deadline presented to us (October 12th, 2015).

We are committed to being part of this prestigious organization and with your support and extension we are keen on adding value and contributing further the United Nation's Global Compact's messages.

We thank you in advance for your time, patience and support and we apologize for any inconvenience that this request might cause

Sincerely,

**Mr. Rafael Lemaitre
Partner
