Self Assessment

Terre Initiative Limited is a not-for-profit Company limited by Guarantee and Registered in the United Kingdom. It was launched in 1998 and works under the auspices of UN Economic Commission for Europe. Its role is to help bring together the public and private sectors in Real Estate Markets.

The Directors of Terre Initiative Limited continue to support the UN Global Compact and its Ten Principles.

Actions

Whilst not actually having employees, Terre Initiative Limited and its Directors continue to promote the Global Compact and its Ten Principles whenever possible with particular focus on Principles 7-10 on the Environment and Anti-Corruption.

It takes an active part in all the activities of the UK Global Compact Network.

Terre Initiative Limited was invited to participate as a Steering Group Member on the UN Global Compact & RICS *Advancing Responsible Business in Land, Construction, Real Estate Use and Investment* during 2014-15 which was launched in June 2015.

The Directors of Terre Initiative Limited have also been active Members of the UNECE Real Estate Market Advisory Group (REM), and its predecessor Real

Estate Advisory Group (REAG), since 1998 and help incorporate the Ten Principles in its work wherever possible.

Measurement of outcomes

In this capacity it has participated in numerous Seminars, Workshops and Conferences where advice is given to the 56 Member States of UNECE to develop their Real Estate Markets that wherever possible incorporate the Ten Principles.

It has also contributed to various publications of the UNECE Housing and Land Management Unit including:

- Policy Framework for Sustainable Real Estate Markets, published 2010
- Green Homes, published 2009 and revised 2012
- Self-Made Cities, published 2009
- Climate Neutral Cities, published 2011
