To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the regular preparation and posting of a Communication on Engagement (COE) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our COE report is delayed due to a high work load related to project applications.

We hereby ask for an extension period in order to be able to post a COP that describes our association's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by 31 January 2016 at the latest.

Sincerely yours,

Tino Barth
Chairman Internationaler Wirtschaftsrat e. V.
