

Eng Aja Eze Foundation
463 North Arlington Avenue
East Orange, NJ 07017

October 16th 2015.

Dear Stakeholders ,

Engr Aja Eze Foundation is pleased to confirm its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights , Labour, Environment and anti-corruption .

This is our first annual communication on Progress ,for the period of October 2014 to October 2015 whereas, Engr Aja Eze Foundation describes its actions of integrating the Global Compact and its principles into its community development, culture, advocacy, and lobby, through the legal framework that enable communities to participate in their own development.

Engr Aja Eze Foundation is committed to share this information with its stakeholders using its primary channels of communication.”

Sincerely,

Ugoji Adanma Eze Esq
President, Engr. Aja Eze Foundation

Principal Representative , COP for 2015

Engr Aja Eze Foundation, as a civil society organization, participates in global regional, and local events from 2011-2015, facilitated attendance and participation in CSW57, 58, 59 Beijing Declaration , Platform of Action and the Convention on the Rights of Persons With Disabilities at UN Head Quarters , in New York.

Engaged with UN Global Compact in New York , including Global Compact Local Networks , UN Global Compact U.S. Forum on Internal Carbon Pricing , UNEP and other stakeholders in establishing and implementing environmental initiatives that are transparent and beneficial to local and regional communities .

We support and respect the protection of international proclaimed Human Rights Treaties and as such hosted three events at the United Nations Head Quarters on the such initiatives such as : “The Persecution Of Christians Globally: A Threat To International Peace and Security “ ; Global Anti - Semitism : A Threat To International Peace And Security “ ; and “The New Anti- Semitism; A threat to international peace and security” .

As regards environmental protection , we undertook an initiative with the participation of UNEP at the United Nations Head Quarters :” Advancing a New Paradigm : Poverty Eradication and Environmental Resource Management”, and participated in the United Nations Global Compact Consultation on Business Principles for Sustainable Soil Management .

We support the elimination of all forms of forced and compulsory labor hence we hosted an event on the rights of domestic workers in the Caribbean.

We support the rights of persons with disabilities as part of our commitment to Human Rights and engaged with the Division of Social Policy and Development , DESA and the Convention of Persons with Disabilities , hosted at the United Nations Head Quarters , “ The Interface between Ageing and Disability .”

We engage in anti-corruption campaigns .
