Dear Mr. H.E. Ban Ki-moon,

I am pleased to confirm that JCI Island supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible - through, for instance, participation in Country / Local Networks, involvement in specialized initiatives and work streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their communications on Press.

Thank you very much for your attentions.

Yours sincerely,

Parco Wu
