To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a work load related to the current development of our activities.

We hereby ask for an extension period in order to be able to post a COE that describes our company's efforts and progress to contribute implementing the principles of the UN Global Compact. Our first COE report will be posted on the UN Global Compact website by 20 January 2016 at the latest.

Sincerely yours,

Régis Burrus
President
