Dear Mr. Secretary General,

I am pleased to confirm that Abibimman Foundation supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment,

We express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): We will advance the principles of the UNGC within our medium of influence and ensure that our partners commit to the principles. We will entreat that projects implemented will work in the domain of these principles.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

For any further information don't hesitate to contact the Chief Executive Officer Mr. Kenneth Nana Amoateng on Email: info@abibimanfoundation.org, ken@abibimanfoundation.org Tel 0303934983/0244023651 and our website www.abibimanfoundation.org.

We await your favourable response.

Sincerely yours,

Kenneth Nana Amoateng
(Chief Executive Officer)
