

Global Compact To our stakeholders

Rennes, October 20<sup>th</sup>, 2015

Dear Sirs,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to difficulties in the process of data collection and analysis.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 29<sup>th</sup>, 2015 at the latest.

Sincerely yours,

Dr. Oliver Aptel Director of ESC Rennes School of Business
