“I am pleased to confirm that the Association of Social Responsibility reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this our first Communication on Engagement, we describe a number of areas where we have been able to integrate and promote the UN Global Compact ten principles.

Since our membership in 2013 we have taken many actions to spread the ideas and principles of UN Global Compact initiative in the Czech Republic, which concluded into the launch of the Global Compact Network Czech Republic in our country. Association of Social Responsibility is a hosting entity of the local network and cooperates closely with the network in increasing awareness about UN Global Compact and engaging new participants from the Czech Republic.

We will enthusiastically continue to support the principles of the UN Global Compact in the years to come.”
