Celebrating Peace Day 21 September 2014  
**"Prayer for World Peace & Mass Gathering"**

Participatory Human Rights Advancement Society (<http://phrasbd.page4.me>), Dhaka, Bangladesh organizes "Prayer for World Peace & Mass Gathering" in solidarity with Peace One Day, UK Website: <http://www.peaceoneday.org> for celebrating the Peace Day the 21 September, 2014 with orphans children. We pray for a violence free world. After prayer we distributed the dinner among the orphans, teachers, staffs and the invitee guests. We try to make them understand the significance of the Peace Day and share their ideas and opinions with us. The reason for selecting orphans because they are deprived from all sort of educational amusement and entertainment.

**The Impact of the Program:**

We think our event had a great positive impact. The young angels are receiving the message of the Peace Day with so very eagerness. We try to make them able to understand the significance of the Peace Day, the 21 September, 2014. The orphans are deprived from almost all facilities in developing countries. They are living with a very minimum living standard. The orphans are participate the event successfully with very eagerness. So we think our peace day event had a great positive impact.
