

27.10.2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the biannual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a restructuring of the organisational personnel in the secretariat of the Danish Ethical Trading Initiative (DIEH). A change in the highest level executive is to be complete, by December 1st 2015, and a COE will be prepared in collaboration with the new Director.

We hereby ask for an extension period in order to be able to post a COE that describes our organisations efforts and actions to support the UN Global Compact principles, and our engagement with the initiative.

Our new COE report will be posted on the UN Global Compact website by January 29th 2016 at the latest.

Sincerely yours,

Ms. Pi Bjerregaard

Appointed ad Interim, Director of Secretariat
