Communication on Progress Team

26/10/2015

To our stakeholders:

SUBJECT: REQUEST FOR THE EXTENSION OF THE DEADLINE FOR SUBMISSION OF THE COP REPORT.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to:

- We haven't submitted the COP report in the established deadline due to the lack of training for the elaboration of this first report. The report has taken more time than the one we had foreseen.
- We cannot assure the submission of the report on time for the deadline of 05th of November since we are still recollecting data for the report and are in the process of evaluation. -

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 05 of February 2016 at the latest.

Sincerely yours,

Ing. Carlos Ferrey Machado
