To Our Stake Holders,

We recognize that a key requirement for participation in the U.N. Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the U.N. Global Compact, a description of practical actions with regard to the principles of the U.N. Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our C.O.P report due to unforeseen events [an accident in family].

We hereby ask for an extension period in order to be able to post a C.O.P that describes our company's efforts and progress to implement the principles of the U.N. Global Compact. Our new C.O.P report will be posted on the U.N. Global Compact website by (January 15-2016) at the latest.

Sincerely yours

M. KANNAN
