

Barcelona, 28th October 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the nature and the structure of our organization of no profit and professional volunteering work: in fact we dedicate the major part of our work to field social action's projects so we would like to extend the deadline in order to improve de quality of our COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 18th December 2015 at the latest.

Sincerely yours,

*Ms. Maite Cayuela Torrella
