To our stakeholders:

RE: COMMUNICATIONS ON PROGRESS

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are in creating, sharing and posting our COP report due to the fact that we have a big event coming up on Employer of the Year Award 2015 that not only we would like to include in the report but has taken up most time and therefore are late.

We hereby ask for an extension period in order to be able to post a COP that describes our Organization's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31st December 2015 at the latest.

Yours Sincerely,

ASSOCIATION OF TANZANIA EMPLOYERS
