Subject: Request for deadline modification

Dear All,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to recurring serious illness of our President and some unavoidable reasons like outgoing and incoming staff .

We hereby ask for an extension period in order to be able to post a COE that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by 30th November, 2015 at the latest.

Sincerely yours,

Zahid Rabbani
