Ms Kimura,

We request for grace period of 90 days to submit CoE as same could not be submit in view certain unavoidable circumstances, mainly our main functional being on field assignments for a quite long period of time. Another reason was of communication gap due to shifting of our office.

We came to know of the time deadline of submitting ~~COE~~ COE or seek grace period by 31<sup>st</sup> Oct, 2015 this week only.

We request for approval of grace period of 90 days or alternately one time adjustment request of upto 11 months until 30<sup>th</sup> Sep - 2016 to align with our CoE deadline with our organization reporting cycle.

Please acknowledge the receipt of our request.

Thanks Co-operation,

With best regards
