

Supporting the UN Global Compact: COE report (2012-2015)

“Architecture, Construction and Design” Public Union (ACDPU/MiDiB) supports the United Nations (UN) Global Compact, the largest voluntary corporate citizenship initiative in the world since October of 2012 as well as our organization requested a logo of UNGC “WE SUPPORT GLOBAL COMPACT” and got acceptance to use the logo of UNGC from 28th of October 2012.

Our organization established relationship and cooperation with local and international partners for learning and implement as well as disseminate ten universal principles of UNGC during 2012 – 2015 years.

Mainly our organization as local NGO has different kind of architectural, construction, design and educational partners and members in Azerbaijan as well as partners from Turkey, Russia, Italy, France, UK, Germany, USA etc. and we try to develop our joint activities within UNGC as well. Our organization is very active participant at the events of Global Compact Network Azerbaijan and we try to disseminate 10 universal principles of UNGC among our members and partners.

Our organization works close with Azerbaijan University of Architecture and Construction (AzUAC) – one of well-known state Higher Education Institution (HEI) in Baku / Azerbaijan from 2013 and try to organize informative seminars and workshops as well as different interesting practical programs and projects for the students and colleagues of AzUAC. We’d like to inform you that from next (2016) year this university plan to join local Azerbaijan network of UNGC and apply PRME (Principles for Responsible Management Education) at the university. Our organization got acceptance to prepare this activities as a pilot project and support / help relevant project team of the university to establish above mentioned relevant works at the university. We hope this pilot project will be interesting for other partner universities as well. We want to inform you that our organization has official web-site (<http://midib.org/en>) and facebook address (<https://www.facebook.com/Midib1>) where we disseminate all activities of the organization and 10 universal principles of UNGC.

Top management board of “Architecture, Construction and Design” Public Union (ACDPU/MiDiB) with Global Compact Network Azerbaijan plans to organize international conference about “**Sustainable development of construction sector in Azerbaijan: Problems and perspectives of using the ten principles of UNGC**” during 2016 year and we try to invite all our members, stakeholders (companies) and our local-international partners from different countries as well.

Besides, our organization follows all activities of UNGC and tries to disseminate gotten information or news between our members via facbook, web-site, round tables and relevant events. Our organization members and stakeholders (relevant companies) are very happy with our activities, services and we believe that in the future this largest voluntary corporate citizenship initiative of the world will impact to every organization in Azerbaijan and they will become active partners within Global Compact Network Azerbaijan.

On behalf of our organization I thank all staff of UNGC and wish them many achievements in the future. We are very glad to be participant/member of GCN Azerbaijan as well as UNGC network !

Best regards,

Prof. Sabir Orujov

About the UN Global Compact's Ten Principles:

Corporate sustainability starts with a company's value system and a principled approach to doing business. This means operating in ways that, at a minimum, meet fundamental responsibilities in the areas of human rights, labour, environment and anti-corruption. Responsible businesses enact the same values and principles wherever they have a presence, and know that good practices in one area do not offset harm in another. By incorpo... See More
