

Date: 30th October 2015

To our stakeholders
UN Global Compact

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our Project regarding Human Trafficking in South East Asia. Our personnel and resources have been fully expended on its completion by 20th December 2015.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 29th January 2016 at the latest

Respectfully yours

Mr John Lewis
Company Secretary
