To our stakeholders

CSR Ukraine recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE).

Due to some professional reason we are late in posting our COE report.

We hereby ask for an extension period in order to be able to post a COE that describes our communication on engagement with our stakeholders on GC and progress to implement the principles of the UN Global Compact.

Our new COE report will be posted on the UN Global Compact website by 20 January 2016 at the latest.

Sincerely yours,

Ms. Maryna Saprykina
Executive Director
